Secure Transactions (password required)

Access problems? See Scheduling Contact Numbers At Left

- [TSS / Transportation Scheduling System](#) (TSS User Activities Website)
- [Supplier / Customer Download Files](#) } ← Supplier / Customer Download Files
- [Customer Information Inquiry](#) } ← Customer Information Inquiry

Things to Know / Actions to Take

1. Usernames and Passwords into any secured transaction will **NOT** change.
2. The transactions shown above will have new hyperlinks:
 - **General Information Files** → https://marketers.natfuel.com/marketers/common_listfile.aspx
 - **Supplier / Customer Download Files** → <https://marketers.natfuel.com/marketers/dataaccess/contents.aspx>
 - **Customer Information Inquiry** → <https://marketers.natfuel.com/marketers/dataaccess/customerinquiry.aspx>

If you've bookmarked any page, revise those bookmarks to the new links above on 08/10/2020.

For Pennsylvania:

Pennsylvania marketers utilizing National Fuel's Account Number Access Mechanism service will need to access this service by navigating to the following link on 08/10/2020:

<https://marketers.natfuel.com/marketers/anam/default.aspx>

*** Usernames and Passwords into this service will NOT change.**

Questions or Concerns?

For any questions or concerns regarding the upcoming change, please contact the Help Desk at 716-857-7232.
