		Rec Rank:	<input type="text"/>	Del Rank:	<input type="text"/>		

Please Note: 1) Two nominations are required for a valid request of storage transfer. The shipper transferring out of its account (source) and the shipper receiving into its account (destination), must EACH submit a transfer nomination form. Each shipper must complete the respective contact information and signature. Evaluation of the requested transfer will begin at that time.

2) Per NFGSC Tariff, advances on the IAS using the storage transfer nomination are not allowed. Returns to IAS are permitted.
