If you need help paying your heating bills this winter, the Low Income Home Energy Assistance Program (LIHEAP) can help. Grants are available to those who meet certain qualifications. Apply as soon as possible because funds are very limited and will be distributed on a first-come, first-served basis. Don't delay.

You may be eligible to receive LIHEAP benefits if your gross household income is at or below the following income levels:

Household Size	Monthly Income Limit*

2	\$2,155
3	\$2,715
4	\$3,275
5	\$3,835

Each Additional	\$ 560

*Approximate maximum annual income limits are subject to change.
