***Fuel and Loss Allowances:**

Transportation Fuel and Company Use Retention and Transportation LAUF Retention (collectively “Transportation Fuel/LAUF”) are applicable to all transportation quantities and established and subject to change under the tracking mechanism in National’s GT&C Section 41 tariff sheets. National’s current Transportation Fuel/LAUF allowance is 1.43%.

Bid Award Process:

During the Open Season period, National will accept requests for EFT primary delivery point changes to NFGDC - PA and extensions of primary term only.

Participation in this Open Season is non-binding for bidders and National.

Requests for rate discounts or discounts of Transportation Fuel/LAUF will not be accepted. Shippers may request all or part of the available capacity and allowed to revise their bids within the posting period. A Shipper's bid shall be exclusive of all applicable surcharge(s) including ACA Commodity Surcharge.

All acceptable requests will be ranked, and the best bid(s) determined based on the highest net present value ("NPV") of any incremental EFT reservation charge revenue, per unit of capacity (Dth/day) requested. The incremental reservation charge revenue shall be calculated based on bidders' proposed contract term extension. The NPV calculation will only be based on length of contract term extensions and will utilize a monthly rate of 0.8% (9.6% annually) for discounting purposes. Bidders that do not propose an extension of existing contract term will result in an NPV of zero, per unit of capacity (Dth/day).

If multiple shippers submit requests that are equivalent in value and term, the available capacity shall be prorated to those shippers based on the quantities requested.

Bid Process and Documents:

All requests must be submitted using a Service Request Form ("SRF"). Bidders may complete an SRF online, download the [PDF version](#) from the Forms section of our website, or obtain one by contacting our Marketing Department at (716) 857-7485. The completed form can be mailed or faxed to the address listed below or emailed to Marketing@NatFuel.com.

Credit Requirements:

Shippers will be required to demonstrate creditworthiness or provide a credit alternative acceptable to National.

Service Agreement Amendment:

Successful bidders will be required to execute and return a service agreement amendment(s) within 3 business days after they are received.
