Bid Award Process:

During the Open Season period, National will accept requests for this transportation service under National's EFT rate schedule.

Participation in this Open Season is non-binding for bidders and National. Requests for rate discounts or discounts of Transportation Fuel/LAUF will not be accepted. Shippers may request all or part of the available capacity and are allowed to revise their bids within the posting period. A Shipper's bid shall be exclusive of all applicable surcharge(s) including ACA Commodity Surcharge. All acceptable requests will be ranked and the best bid(s) determined based on the highest net present value ("NPV") of the reservation charge revenues, per unit of capacity (Dth/day) requested. The NPV calculation will incorporate length of contract term and will utilize a monthly rate of 0.8% (9.6% annually) for discounting purposes.

In the event that multiple shippers submit requests that are equivalent in value and term, the available capacity shall be prorated to those shippers based on the quantities requested.

Bid Process and Documents:

All requests must be submitted using a Service Request Form ("SRF"). Bidders may complete an SRF online, download the [PDF version](#) from the Forms section of our website, or obtain one by contacting our Marketing Department at (716) 857-7485.
