

National Fuel Gas Distribution Corporation

Transportation Scheduling System Delegation Maintenance Form

The purpose of this form is to allow a business party to perform transactions in the Transportation Scheduling System for another business party. These transactions can include nominating gas, maintaining market and local production pools, and trading imbalances.

Each company may select one business party as a delegated representative and must select what roles that company will have as the delegated representative.

Business Party

Name (Print)

Signature

(Note: Must be an Officer/Partner/Managing Member of the Business Party)

Title

Contact Phone Number

Date

Delegated Business Party

Start Date

End Date (If applicable)

Include Historical Information (checkbox)

By check-marking this box, you are authorizing the delegated party to view information going back up to 6 years from current month

Roles (check any that apply):

Imbalance Trader: Trades or cures imbalances of an aggregation group

Market Pool Maintenance: Determines market pool(s) members each month

Nominations: Makes daily nominations, specifies allocations

Production Pool Maintenance: Manage production pool meters, nominations, confirmation of gas

SC-16 Operator: Manage SC-16 Market Pools

Off System Pool Maintenance: Manage off system production pool meters, nominations, confirmation of gas

Please email completed form to TSSsupport@natfuel.com. Contact the TSS Help Desk at (716)857-7232 or by email to TSSsupport@natfuel.com with any questions or concerns. Once the TSS Help Desk receives the completed Delegation Maintenance Form, the Delegation will be set up in TSS.
