

National Fuel®

## Enhanced Energy Affordability Program (EEAP)

**EEAP** is a new discount program for income-qualified households across New York State.

National Fuel customers can receive a monthly credit ranging between **\$1 - \$3**

*\*Discounts are subject to change*

### To be eligible for EEAP:

- Have an active National Fuel account
- Not receive public assistance benefits, such as HEAP
- Not already be enrolled in EAP
- Meet income guidelines (see reverse)

\*Customers who receive HEAP are automatically enrolled in EAP and should not apply for EEAP. Only one discount program is available per customer.

**Apply Today!**

Or Visit:

**[NationalFuel.nyeeap.com](https://NationalFuel.nyeeap.com)**

Applications are processed by our approved vendor, Promise.

**To qualify for EEAP, you will need to meet the income guidelines in the chart below.**

Income Guidelines are as of June 1, 2026 and are subject to change. Scan the QR code below and click on Enhanced Energy Affordability for most up to date guidelines.

| Household Size | Annual Income Level Under |
|----------------|---------------------------|
| 1              | \$69,477                  |
| 2              | \$90,854                  |
| 3              | \$112,232                 |
| 4              | \$133,609                 |
| 5              | \$154,986                 |
| 6              | \$176,364                 |
| 7              | \$180,372                 |
| 8              | \$184,380                 |

For additional questions or to apply by phone, call the EEAP phone center at **1-877-400-2501**, Monday through Friday 8AM-5PM EST.

**For more information about EEAP and other ways to manage your payments, scan the QR code below.**
