HEAP is Open. Apply Today.

Home Energy Assistance Program (HEAP)

Up to $496 in federal funding is available to help pay heating bills. A family of four earning $82,224 or less may qualify. Funding is limited and available on a first-come, first-served basis.

For more information about HEAP, including income eligibility guidelines and how to apply, visit **HEAPhelps.com** or scan the QR code below.

Scan the QR code for HEAP program information.
