Re: Case 22-G-0610 – In the Matter of a Review of the Long-Term Gas System Plan of National Fuel Gas Distribution Corporation

NOTICE OF TECHNICAL CONFERENCE

Dear Secretary Phillips:

National Fuel Gas Distribution Corporation (National Fuel or Company) submits this Notice of Technical Conference pursuant to the *Order Implementing Long-Term Natural Gas Plan With Modifications* issued by the Public Service Commission (Commission) on December 14, 2023 (Order). The Order directs, among other things, that National Fuel schedule a technical conference within ninety (90) days of the Order to discuss a draft benefit-cost analysis handbook (BCA Handbook) that the Company will assemble and file with the Secretary at least fourteen (14) days prior to the technical conference.

In accordance with the Order, National Fuel will host a technical conference to discuss its draft BCA Handbook. The conference will be conducted via Zoom webcast on **Monday March 11, 2024 from 10:00 am to 12:00 pm** and will include a question-and-answer session during which Company representatives will respond to stakeholder inquiries regarding the material presented. If you wish to participate in the Zoom webcast and utilize both audio and video capability, you must register to join the event prior to the start of the session. To register, please use the link below:

Information regarding the informational session can also be found on the Company's website at <https://www.nationalfuel.com/utility/>

In accordance with the Order, following the technical conference stakeholders shall have the opportunity to provide written comments, which they shall file with the Secretary to the Commission within fourteen (14) days after the technical conference or by **March 25, 2024**.

Thank you for your attention to this matter.

Respectfully submitted,

/s/ Randy C. Rucinski
