

National Fuel®

NOTICE

DATE: February 11, 2025

TO: Local Producers and Operators

SUBJECT: Sale of Gathering Systems in Western New York

The purpose of this posting is to notify Producers that National Fuel Gas Distribution Corporation ("Distribution") is considering the sale of its Ripley-Mina and PY3 Gathering Systems located in Chautauqua County New York. Distribution plans to evaluate the sale to a natural gas producer or operator and is willing to provide information regarding the facilities contemplated in the abandonment/sale upon execution of a Confidentiality Agreement.

Interested natural gas parties must provide a notification of interest by the close of business 2/28/2025.

Notification of interest is to be sent to miodust@natfuel.com.
